	Proposer: Maria Varsanyi-Danyi Seconder: Anna Metel Joseph Baker spoke on behalf of an application to extend the 3 rd Category Licence for Petchi, Liberty Wharf, to Include an alfresco area measuring 13.61sqm. The applicant described being given an opportunity to show case his restaurant which is located on the 1 st Floor. The area will consist of 4 to 5 small tables, with the days of operation currently being Tuesday to Sunday, however this may change. Procureur John Baker ask how it was proposed to service the area when the Restaurant is located on the first floor. The applicant explained that the bar area overlooks the alfresco area and so staff can see patrons who are seated there. He may consider in the future using a buzzing or QR system to order drinks. The Constable asked the operating hours of the area, the applicant stated they were in keeping with his lease, in that activities on the alfresco area must cease at 10pm, the same as the neighbouring premises. Deputy Ahier asked if the applicant would remove the furniture when he closes. The applicant advised that he hoped to keep the furniture in an alcove, the same as the neighbouring restaurant and when in the winter the area is not being used the furniture would be removed, The Assembly had no further questions, on being put to a vote the application was approved unanimously.
	The date of the next scheduled Parish Assembly is Wednesday 28 June 2023
