NEIGHBOURHOOD IMPROVEMENT AREAS

SECOND LEAFLET DROP

Following the completion of the first leaflet drop in September we have received about two dozen responses. We would really like to gain more views as to how we could improve your area. If you have already responded then there is no need to reply.

We would like to encourage residents to have their input noted and to suggest ways to improve the lives of everyone who lives in their area by improving their surroundings. Please complete the enclosed survey and have your say. The deadline for comments is 31 October 2022.

POONAH ROAD AREA

1. Poonah Road

6. Great Union Road - West

What happens next?

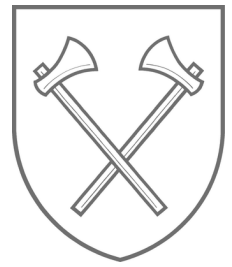

Suggestions will be discussed by the new residents group for Neighbourhood Improvement Areas and presented to the Roads Committee for approval as soon as possible.
