

# Girl with a Canary

## F. Bennluancq

---

**1860's**  
**Oil on Board**  
**34 x 27cm**

To left hand side of the raised dais you will find two small but exquisite 19th century mannerist paintings depicting women in differing states of contemplation.

The painting above dates from 1860 by F. Bennluancq and is architectural interior in which a housekeeper takes great joy in feeding a yellow canary in a cage.
