Consultation BELMONT GARDENS PROPOSED NEW EXIT

The Parish of St Helier is seeking your feedback on proposed changes to the Car Park wall in front of Belmont Gardens. This change was requested by members of the Belmont Road Neighbour Improvement Area group (NIA), and is the first improvement which the Parish is able to progress for the area.

We are planning to form a new exit from Belmont Gardens onto Belmont Road, which will make it safer for residents in Belmont Gardens exiting with their vehicles. This will also remove the need to reverse up Belmont Gardens to exit from the existing entrance/exit onto Belmont Place.

Please note that the proposed changes will be subject to Planning permission.

We would appreciate your views on this proposal: please tell us whether or not you support these changes and email your comments to us at townhall@sthelier.je no later than **20th January 2025**. Alternatively, you can write to us at the above address.

You can also scan the QR code to take you directly to our email.
