Representatives from each Vingtaine attended the Visite and highlighted a number of issues within their areas, including concerns relating to hoardings, Branchage infractions, and programme of upcoming remedial works.

The final stop for the party was at 30-32 Devonshire Place for a briefing on the potential purchase of the former Precision Plastics property for the Street cleaning department.

The department is satisfied with the work carried out on the Visité du Branchage,. The department will continue to issue 8 days letters where necessary all year round.
